(1) Just Received a letter telling me I've been granted IFP Application for case # 23-CV-2102

I want to know is this case moving forward now?

And how much it's going to cost me to get a copy of this complaint and how can I pay for it.

(2) Can I get Pro-bono lawyer to handle this case that's working on my other federal case in this court?

(3) And can I make a request of \$200,000 Settlement for this case.

(4) And can you tell me of all pending cases I have present in this Southern District court.
